Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure manner. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for "https" at the beginning of the address of the web page. You may also click on the 128 bit SSL Certificate icon at the bottom of the page to confirm the certificate is in good standing.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job, e.g. billing or customer service, are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.
